# WELCOME

## President's Welcome

Welcome to Dordt University! Fall is an exciting time of new beginnings on campus, and I feel privileged to lead this Christian learning community as we work together for Christ-centered renewal in every aspect of life.

Our faculty and staff share a common faith commitment, and we pledge to be your partner in this phase of your child's education. We will challenge, encourage, and assist your students in their academic journeys, as they continue to learn what it means to love the Lord with all of their heart, soul, mind, and strength, and to love their neighbors, too.

We strive to be a community of integrity, conviction, and faithful service. Our goal for your sons and daughters is the same as yours—that they learn and develop as faithful disciples of Christ in every part of life, wherever God leads them in the future.

This booklet outlines the ways we will welcome them into the Dordt family. Please keep it as a reference for the year ahead, and please let us know how we can serve you or your student more effectively.

Dr. Erik Hoekstra  
President, Dordt University

# Mayor's Welcome

We are delighted your student has chosen to study at Dordt University. On behalf of the City of Sioux Center, welcome! Our hope is that Dordt and Sioux Center will soon feel like their home away from home.

Whether you are familiar with Sioux Center or still anticipating your first visit, we hope you get to enjoy our year-round recreation, restaurants, amenities, and retail options. Sioux Center is a safe and friendly community, and I think you and your student will find great places to eat, shop, stay, and worship. While both Dordt and the City are in an exciting time of construction (which may bring a few temporary inconveniences) our welcome mat is out for you! We're excited to share the end results, too.

I am proud of Sioux Center's relationship with Dordt. Together, the City, Dordt, and our community's schools have built a number of shared facilities: the All Seasons Center with its waterpark and ice arena, theatre space, our athletic field complex, and the American State Bank Sports Complex. These partnerships are part of what has shaped Sioux Center's reputation as a thriving community.

We hope your student will find ways to plug in locally, like getting involved with a church or volunteering as a youth coach. Their investment of time and talents will definitely benefit Sioux Center, but we also believe they will gain from the experience and connections.

I know many community members who graduated from Dordt and have chosen to make Sioux Center their home. Dordt alumni are finding life and career opportunities in local engineering and technology firms, health care, agriculture, business, manufacturing, education, and churches, and we're grateful for their impact here.

If you'd like to get to know more about Sioux Center, we invite you to call or visit our Chamber of Commerce office (712-722-3457) or our City Office (712-722-0761).

Dordt and its students bring diversity and energy to our community. My hope is that you find Sioux Center a welcoming place for your student and that you enjoy every visit.

Sincerely,

Dale Vander Berg

Mayor, City of Sioux Center

# Parent Relations Welcome

# SERVICES

## THE ACADEMIC ENRICHMENT CENTER

The Academic Enrichment Center offers academic support services to help Dordt students adjust to college and strengthen their learning experience. Study skills assistance, tutoring in specific courses, academic coaching, and services for students with disabilities are all available through this office. Last year, more than 700 students made nearly 7,000 visits to the Academic Enrichment Center.

Approximately 40 students work in the Academic Enrichment Center as peer tutors. Students can schedule appointments by calling or stopping by the Academic Enrichment Center or by completing a request form on our internal website ([u.dordt.edu](http://u.dordt.edu)).

Tutoring sessions are available in the following formats: individual sessions, weekly small group tutorials with two to five students, and drop-in study sessions available before tests. Students are expected to faithfully attend and adequately prepare for all weekly sessions. Due to the high demand for these free services, students who miss multiple tutoring appointments, are unengaged, or are unprepared may lose the privilege of accessing tutorial assistance.

The professional staff in the Academic Enrichment Center provide academic coaching for students who need assistance with study habits, time management, course load, or other facets of the academic experience. They also work with the Learning Community Assistants (LCAs) in residence halls, training them as peer academic coaches.

Students seeking helpful tips for adjusting to the academic expectations of university will find a variety of resources on reading, note-taking, time management, memory skills, and test-taking in the Academic Enrichment Center.

The Academic Enrichment Center is located on the lower level of the library and is open weekdays from 8 a.m. to 9 p.m.

## THE BUSINESS OFFICE

The Business Office manages tuition payments, tuition statements, student employment payroll, tax forms, and cashing of personal or reimbursement checks.

**Tuition accounts:** Payments for tuition and fees are due on the first day of classes each semester. An interest-free payment plan is available for those who wish to make four monthly installments per semester taken directly from their bank account or credit card. You will need to sign up for a new plan at the beginning of each semester, you will not be auto enrolled. This plan requires a \$25 enrollment fee per semester. Go to [dordt.edu/parents](http://dordt.edu/parents), and scroll down to "Make a Payment for your Student." Click on "online" to make a single payment or "payment plan." More information regarding payment plan enrollments and online payments can be found at [dordt.edu/tuition-payment](http://dordt.edu/tuition-payment).

Students are responsible for their tuition accounts. If financial assistance is desired,

students and their parents should contact Financial Aid for scholarship or loan options. Monthly emails are sent to the student's Dordt email that directs them to view their updated statement. Students can review their tuition account statement online at [u.dordt.edu/finances](https://u.dordt.edu/finances) and forward the online statement to a parent or individual of their choice.

## University Costs

Cost breakdown can be found at <https://www.dordt.edu/admissions-and-aid/cost>

**Check cashing:** The Business Office cashes personal checks up to \$150. Canadian checks may be cashed, with a limit of \$200 (U.S. funds) per week. The exchange rate is subject to change the first and 15th of each month.

**Student employee payroll:** All student employees need to enroll in the direct deposit program, so that funds are transmitted safely and efficiently to a valid U.S. bank account.

## CAMPUS MINISTRIES

Campus Ministries seeks to foster the growth of the entire Dordt community, focusing on the personal and spiritual development of students through worship, prayer, intentional relationships, faith formation, discipleship, missions, and service. Trained student staff and volunteers use their gifts to bring vitality to a variety of campus ministries. They are led by Aaron Baart, dean of chapel and Sam Ashmore, campus pastor.

Weekly campus worship opportunities include Monday Night Prayer, Wednesday Chapel, and Thursday night Praise and Worship. Most of these worship events are students-driven. Sunday worship in local churches is encouraged, and transportation to all Sioux Center churches is provided.

Faith Formation opportunities include small groups, pastoral care and counseling, spiritual direction, retreat, prayer groups/events, and various other opportunities to be formed and shaped even more into the image of God.

Service and outreach opportunities are available through the Community Outreach Program, PLIA spring break service projects, and AMOR international mission trips.

## CAREER DEVELOPMENT CENTER

The Career Development Center encourages all current Dordt students in vocational and career development, equipping students with the tools necessary to find employment or enroll in graduate school. The Career Development Center staff is comprised of Amy Westra, director of career development, Dave Schenk, employer relations and mentor coordinator, and Missy Mulder, career development coordinator and certified professional résumé writer. They are conveniently located within the Student Services offices.

Career Development staff assist students with writing résumés, writing cover

letters, creating LinkedIn profiles, composing graduate school application materials, interviewing, and more. They also provide guidance to students who are discerning their career path or looking for help in choosing a program of study. The staff are available to meet with students and alumni to aide in navigating the job search process and ways to improve application materials. Career Development sponsors several career-related events each year such as job fairs and an etiquette dinner.

Career Development utilizes the Handshake platform ([dordt.joinhandshake.com](http://dordt.joinhandshake.com)) to communicate job and internship opportunities to students. Each Dordt student has a Handshake account which allows them to view these openings; they can also make appointments with staff and find resources to help with career goals on the platform. For more information about the Career Development Center, see [dordt.edu/about-dordt/alumni/career-development-center](http://dordt.edu/about-dordt/alumni/career-development-center) or email [cdc@dordt.edu](mailto:cdc@dordt.edu).

## **COMPUTER SERVICES**

Computer Services staff provide information technology services to students, faculty, administrators, and staff of the university. All Dordt students are given a computer account that gives them access to the wireless network, software, a learning management system, [u.dordt.edu](http://u.dordt.edu), library resources, file and print access, and more.

Computer Services is located on the first floor of the classroom building, and computer labs are found throughout campus. Questions regarding computers, cable TV, and telecommunications may be directed to the Computer Services help desk at 712-722-6299.

## HULST LIBRARY

The Hulst Library is named after Dr. John Hulst, Dordt's second president, and his wife Louise, who was a librarian. At one point, architects wanted to make the chapel the focal point of campus. Dr. Hulst reportedly said, "No, the center of campus is the library."

The library takes that centrality seriously. We care about how people learn, how they use information, and how they participate in Dordt's learning community.

### Hulst Library Space:

- The library is a popular place for individual and group study.
- The Academic Enrichment Center, The Kuyper Honors Program, the Dordt University Archives, Global Education, Online Education, and the Kielstra Center for Research and Grants are located within the library.

### Hulst Library Collections:

- Course Reserves. Students save money by using library copies of required textbooks.
- Teaching Resource Collection. This collection includes children's literature and PreK-12 curricular materials.
- Books. The library collects leisure reads, new releases, current topics, and faculty recommendations. Our ebook collections cover many academic disciplines. The library also has equipment, board games, and movies.
- Online databases. These licensed collections cover academic research in many disciplines.
- Dordt Digital Collections. This online platform allows Dordt scholarship to be read around the world.

### Hulst Library Services:

- Research Assistance. Librarians partner with faculty to teach research skills. We work with freshmen, graduate students, and everyone in between. Our online research guides are curated and designed for common Dordt research assignments.

## **INSURANCE**

- **Health Insurance:** Consider contacting your health insurance carrier to inform them that your student will be away at college and to discuss how the student should access care while outside of your network area. Some regional HMO plans can create challenges.
- **Property Insurance:** Dordt University does not insure the contents of rooms in our residence halls and apartments. Your homeowner's or renter's insurance normally covers the contents of a student's room. You may wish to check your coverage, particularly if your student will be bringing many valuable possessions such as a large television to college.

## **MAIL SERVICES**

All students enrolled at Dordt will have an identifying DU box number, which should be on every piece of mail that is sent to them. Students will NOT have an actual mailbox, but this DU number is necessary to route their mail correctly. An email will be sent to students when any piece of mail (letter or package) is received for them, and Print and Mail Center hours will be stated in the email. The Print and Mail Center is located in the classroom building.

## **Please use the following address to have mail or packages sent to students:**

# RESIDENCE LIFE PROGRAM

The focus of the residence life program at Dordt is to develop a vital Christian learning community that fosters spiritual, academic, and social growth. Twenty-six residence life staff work in underclassmen residence halls with Derek Buteyn, director of residence life.

# SAFETY AND SECURITY

Campus security team members are not trained as police officers and do not carry weapons. Campus security team members do not have the power to arrest but may detain an individual for questioning by police or members of the staff. They have direct communication with the local police via radio and telephone and will call for assistance whenever needed. The security team patrols campus seven days a week from 8 p.m. to 3 a.m.

The annual security report may be found on the Dordt website at [dordt.edu/about-dordt/consumer-information/annual-security-report](http://dordt.edu/about-dordt/consumer-information/annual-security-report).

The Health and Immunization Requirement must be complete prior to registration for a second semester.

<https://www.dordt.edu/student-life/residential-life/health-and-counseling/immunization>

**Chronic Health Concerns:** If your student has a chronic or recurring health condition, please provide us with a summary letter from your local physician. Ask your student to schedule a get acquainted visit in Student Health where we can review the letter together and discuss how to best meet their healthcare needs while at Dordt.

**Students with a history of asthma,** who have used inhalers or nebulizers in the past to control symptoms, are advised to have those items available to them on campus. Students who have been free of asthma symptoms in recent years are often affected by the fall harvest that takes place around campus.

**Health Insurance:** Planning ahead will help smooth the path to care if your student needs to receive medical attention off campus. Dordt does not require students to provide proof of health insurance, but we encourage you to take time to be sure your student knows how your health insurance works.

- Provide your student with an insurance card that includes policy numbers, billing address, and pharmacy information. Remind your student to carry the card at all times.
- **Consider contacting your health insurance carrier to inform them that your child is away at college and to discuss how the student should access care while outside of your network area.** Some regional HMO plans can create challenges.

**Off-Campus Referrals:** Referrals for off-campus counseling are made for long term needs, on-going therapy, more intensive services, or specialized services. Off-campus referrals may also be made due to conflicts of interest, waiting lists, counseling needs through summer months, or scheduling conflicts between the student and counselor. Cost of off-campus referrals, whether for inpatient or outpatient treatment, are the financial responsibility of the student; students are encouraged to use their health insurance to defray the cost of off-campus services.

A list of area mental health providers is available at [dordt.edu/student-life/residential-life/health-and-counseling](http://dordt.edu/student-life/residential-life/health-and-counseling)

## Privacy

In compliance with professional standards of practice as well as state and federal laws of privacy and disclosure of information, the Student Health and Counseling Center protects the health and counseling information of each student and does not release or discuss health and counseling information with parents without the student's signed consent. Should your student's medical or psychological health reach a threshold where they are unsafe or become a threat to themselves or others, parents/guardians will be contacted by Student Health and Counseling, a counselor, or the Vice President for Student Success and Dean of Students.

## **STUDENT ACTIVITIES**

Dordt Student Activities is a group of students who initiate, organize, implement, and facilitate campus-wide activities. The committee meets weekly to discuss current and future activities, assessing current programs to meet the needs of the student body.

## **STUDENT EMPLOYMENT**

The Student Employment Office encourages all Dordt students to become involved in on-campus employment. Student employment at Dordt University is viewed as a co-curricular program that enhances the overall education of students by teaching valuable life skills. It also assists students with the cost of their education as a tool within the Financial Aid program, allowing students to earn money while attending Dordt University. The Student Employment Office utilizes a web-based jobs platform called Handshake in which students can apply for on-campus employment. This is the same platform utilized by Dordt's Career Development Center. The Student Employment Office also provides information for off-campus job opportunities as those arise during the school year.

The Student Employment Office number is 712-722-6226 or you may email personnel directly with any questions.

## **TRANSPORTATION SERVICE**

Dordt provides transportation at the beginning and end of each semester as a service to students. Dordt will assist with travel arrangements to transport to campus students who arrive by plane in Sioux City, Iowa; Sioux Falls, South Dakota; or Omaha, Nebraska. Bus pick-ups are available from Sioux City and Sioux Falls. The cost for transport from Sioux City or Sioux Falls is \$30, and from Omaha is \$60.

Students must go to [u.dordt.edu/dordt/shuttle-service](http://u.dordt.edu/dordt/shuttle-service) for the form and information regarding dates and times that transportation is available. Please contact the Dordt Transportation Coordinator at 712-722-6400 if you or your student have any questions.

# PARENT EVENTS
